Mobi™ accessories

Give oxygen patients greater freedom to live life

ResMed.com/Mobi

For everyday living

ResMed Mobi is a portable oxygen concentrator for everyday living. Lightweight and with a long battery life, Mobi is designed to deliver the required dose of oxygen at the right time.

Go further

Mobi accessories can give your patients greater freedom to live an active lifestyle. Recommend the Mobi backpack for comfort and convenience, and the Mobi external battery for extra time away from home.

Mobi backpack

The Mobi backpack keeps the device, batteries and nasal cannula secure and out of sight, while the backpack straps conveniently conceal the cannula.
